

## Early Childhood Educator

### Shape childhood in a daycare facility

Kinderfan is a private provider of nurseries and kindergarten with a total of seven facilities: two in Schwabing, one at Odeonsplatz, one in Oberföhring, one in Giesing, one in Pasing and another in Augsburg. Around 400 children are looked after every day by a dedicated team of around 50 employees. Together, we create a loving, diverse daycare routine between 8:00 a.m. and 5:30 p.m.

With us, you will experience flat hierarchies, an appreciative working environment and a pedagogy based on the co-construction approach, which brings cultural diversity and bilingual learning in German and English to life.

#### Your area of responsibility

As an educator at Kinderfan, you will help create a varied and stimulating daycare environment:

- Caring for, supporting and accompanying children in their day-to-day life
- Planning and implementing creative, age-appropriate educational activities
- Observing and documenting child development
- Designing and organising the daily routine, including rituals and free play
- Working as part of a team and with parents as a reliable contact person

#### What sets you apart

- ✓ Early Childhood Education degree or comparable educational qualification
- ✓ English language skills at least at C1 level
- ✓ Sense of responsibility, organisational skills and leadership skills
- ✓ Knowledge of German is a plus
- ✓ Enjoy teamwork, open-mindedness and pedagogical creativity.

### Why Kinderfan is worthwhile for you

-  Attractive salary
-  Full coverage of public transportation (Deutschlandticket - 63€)
-  32 days of paid holiday + Christmas and New Year's Eve days as a gift
-  Weekly preparation time for educational activities
-  3 pedagogical training days per year
-  Regular team meetings, supervision
-  Team events in summer, at Christmas and at the Oktoberfest
-  Temporary accommodation available
